Subject: RE: FOIA Custodian Follow Up

Hi Peter,

Thanks for taking my follow-up question during the conference call this afternoon. You sum up my position on the issue quite well. Considering that the FOIA request is geared toward compliance and enforcement aspects of NSPS 0000a, I likely will not have any responsive material.

Subject: FOIA Custodian Follow Up

Hello Himanshu,

Following up on the call- we can technically take you out of the collection at this point. If you won't have emails substantively discussing 0000a enforcement/compliance issues, and especially if there are other custodians in your region from whom we are collecting who will have responsive records, this seems the appropriate thing to do. We are also collecting from Bruce Augustine and Natalie Vasquez.

Please let me know if my above description of the situation is accurate, and if it is, we will take you out of the collection. Thanks,

Peter
